EDITORIAL

Dear Members and Friends,

Following the enthusiasm and dynamism of European Microfinance Week (EMW), we'll continue to support you, our members, in transforming this energy into concrete projects and actions for your benefit and that of the whole microfinance sector. This first edition of our newsletter in 2018 looks back at some of the highlights of our annual event and offers you an exclusive interview with Mr. Alvaro Aguilar Ayon of Tosepantomín, winner of the prestigious European Microfi-

nance Award. Also included is an update on the activities of our productive Action Groups, an outline of the General Meeting of Members 2017 and an introduction to our new e-MFP Board members.

At EMW 2017 the term of our Chairwoman Anne Contreras-Muller came to an end. We would like to thank Anne once again for her great work and leadership at the helm of e-MFP during the last four years and we warmly welcome Laura Hemrika as the new e-MFP Chair.

On behalf of e-MFP, let me take this opportunity to wish you a happy and prosperous new year. We look forward to working with you in 2018.

Kind regards,

Christoph Pausch
Executive Secretary
